Orem, Utah
October 15, 1959

Wayne D. Criddle, State Engineer
State Capitol
Salt Lake City, Utah

Dear Sir:

The allocated balance as of March 31, 1959 should have been 95,218 instead of 94,103 as shown by me on the Mar. 16-31 report. Changes should be made due to the fact that I deducted the power replacement water released to Utah Power & Light Co. from the 100,000 a.f. allocated to the Association Users for the water year.

The above water released was as follows:

Nov. 1-15	70
16-30	155
Dec. 1-15	140
16-30	0
Jan. 1-15	0
16-31	0
Feb. 1-15	0
16-28	0
Mar. 1-15	285
16-31	465
Total	<u>1115</u> ac/ft

Very truly yours

Marion J. Clark
